

Strategic Investor Targeting & Outreach

Connecting You with the Right Investors, at the Right Time

Tap into our network to engage with institutional and retail investors, analysts, and investment banks.

In today's competitive capital markets, understanding who your ideal investors are—and how to reach them—is critical to unlocking shareholder value.

At **Alliance Advisors** we leverage data-driven insights, deep capital markets expertise, and an extensive global network to ensure your story resonates with the right investors.

Precision-Driven Investor Targeting

We go beyond traditional investor outreach. Our team employs:

- **Institutional & Retail Investor Analysis**
 - Identifying shareholders who align with your investment thesis.
- **Peer & Sector Benchmarking**
 - Assessing shareholder bases of comparable companies to uncover new opportunities.
- **Ownership Intelligence**
 - Monitoring investor activity to anticipate trends and position your company strategically.

Proactive & Impactful Outreach

Reaching the right investors is only part of the equation. We ensure that your message cuts through the noise with:

- 01 Direct Investor Engagement**
Personal introductions to institutional and retail investors.
- 02 Tailored Outreach Strategies**
Custom messaging that aligns with investor priorities.
- 03 Analyst & Investment Bank Access**
Strengthening your position in the capital markets ecosystem.
- 04 Non-Deal Roadshows & Conferences**
Securing high-impact meetings that drive long-term value.

WHY CHOOSE US?

Unparalleled Capital Markets Expertise – We've built and executed IR strategies for companies across industries.

Global Investor Network – From top-tier institutions to engaged retail investors, we connect you with the right audience.

Results-Driven Approach – Every engagement is designed to enhance your shareholder base and maximize valuation.
